SIGNATURE SERIES

OMEGA CS 12

Magnat

The Magnat Signature Series offers a versatile lineup of speakers designed for seamless interchangeability. All models (Signature 999, 809, 607, 603 and Edelstein) are crafted to work harmoniously together with a Center Pro II center channel, a pair of atmos surrounds ATM 202 and an Omega CS12 subwoofer allowing you to customize your audio setup without compromising on sound quality.

A FUTURIST LOOK

The Omega CS12 subwoofer has a futuristic look, with all its bevelled corners and two-digit digital volume control. Thanks to its compact size and high-quality multi-layer satin finish in black or white, it will easily find its place alongside your Signature speakers. Furthermore, the Omega CS12 is equipped with ESD "Extended Surface Damper" feet for greater stability and reduced floor vibration.

A PLUG & PLAY SOLUTION

The Magnat Omega CS12 is an active subwoofer, making it a plug-and-play solution for your audio system. Simply connect it to your amplifier or receiver, adjust the settings, and you're ready to experience deep, powerful bass. Its user-friendly design ensures quick and easy setup, offering a seamless integration into both hi-fi and home theater systems.

A CLASS D AMPLIFIER FOR POWERFUL BASS

The Magnat Omega CS12 features a high-performance Class D amplifier, delivering 525 watts of raw power and up to 1100 watts in peak power. Additionally, the subwoofer's volume can be easily adjusted either directly on the unit or conveniently via the included remote control, offering flexibility and user-friendly operation.

PERFECT FOR HIFI & HOME CINEMA SET UPS

Whether you're building a high-fidelity audio setup or enhancing your home theater, the Omega CS 12 subwoofer is a game-changer for your sound experience.

In a home theater system, it will bring you depth and realism to sound effects like explosions, music, and deep rumblings. In a hi-fi setup, it will extend the bass range, elevating the overall music experience, especially in genres like electronic, rock, or classical, where deep, rich bass is crucial.

The Omega CS 12 is the perfect addition to your Signature sound system, delivering powerful, full-range bass and a clear, balanced sound that transforms your audio experience.

DESIGNED & ENGINEERED IN GERMANY

Magnat products are proudly designed and engineered in Germany, reflecting a commitment to precision, quality, and innovation. Our skilled team combines advanced technology with timeless craftsmanship to create audio solutions that deliver exceptional performance. Each product embodies the German engineering ethos, ensuring you experience superior sound and reliability.
